A \$200.00 deposit must be submitted with this application and will be applied to the plan review fee.

Separate inspections are required for footings, stem wall, slab reinforcement, under floor framing, roof sheathing/nail, framing, insulation, drywall nail, water service/sewer service, underground plumbing, rough plumbing/framing/electrical/heating ducts/vents, gas yard line, final gas test, electric service, and final.

Per Section 7-5-6 of the City of Show Low Building codes, a re-inspection fee (\$50.00) may be assessed for each inspection or re-inspection when such portion of work for which inspection is called is not complete or when corrections called for are not made. Re-inspection fees may also be assessed when the inspection record card is not posted or otherwise available on the work site, the approved plans are not readily available to the inspector, for failing to provide access on the date for which inspection is requested, or for deviating from plans requiring the approval of the building official.

This permit becomes null and void if work of construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinance governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
